PRETTY HOME WEDDING.

Daisy Estella Davis to William Henry
Douglass of Waterbury.

Waterbury, Oct. 10.—A very pretty
home wedding took place Wednesday
evening at the home of Mr. and Mrs.
Levi Davis on High street, when their
daughter, Daisy Estella, was united in
marriage to William Henry Douglass of
this place. The ceremony was performed
at eight o'clock by the Rev. W. S.
Smithers in the presence of a few
relatives and friends of the young
couple. The bride wore cream silk mo-
hair and was attended by her sister,

Miss Anna M. Davis, as bridesmaid, who
wore silk muslin over pink. The bride
carried brides' roses and the bridesmaid
carried carnations. Walter H. Robinson of
this place acted as best man. An informal
reception and lunch followed the cere-
mony. The house was attractively de-
corated for the occasion in autumn leaves
and ferns and the dining room was trim-
med with cut flowers and sweet peas.
Mr. and Mrs. Douglass received many
beautiful and costly presents from their
numerous friends. The happy couple
left on the 12:27 train for Mr. Douglass'
home in Concord, where they are to
spend a few days before going for a
carriage trip through the White moun-
tains.

INSURANCE

Some agents say "The Best Companies,"
others "The Strongest," and still others
"The Largest Companies." I simply say

JOHN W. DILLON, Agent,

Representing \$465,490,117.39 assets as per annual
statement of companies represented in this agency on
January 1, 1903. That tells the whole story. Call
and investigate. No risk too large, none too small.

ABOUT THE STATE.

Items of Interest Gleaned From Our
Exchanges.

Solomon Thayer, of South Vernon,
aged 90 years and 10 months, died Octo-
ber 3. Mr. Thayer had lived nearly all
his life in South Vernon. Two sons and
two daughters, with whom he lived, sur-
vive him.

Mrs. Clarissa Sawyer, of Tyson, who
is nearly 90 years old, rode to Plymouth
Union recently to see her aged sister,
Aunt Esther Damon, 91 years old, and
the only surviving Revolutionary widow
now living.

James C. Colgate, the New York city
millionaire banker, has begun the build-
ing of ninety rods of permanent road on
Monument ave., in Bennington Center,
at a cost of \$5,000. Mr. Colgate has al-
ready made permanent most of the high-
ways to his residence.

Andrew Stewart returned to North-
field on Monday night from a ten weeks'
trip through the Scotch Highlands, Scot-
land, where he has been visiting his
mother, who is 83 years old, and other
relatives. Mr. Stewart had not been to
his home before since he came to this
country, 36 years ago.

Taplin, Rowell & Co., of Barton Land-
ing have made another purchase of tim-
ber land in the town of Jay, having
bought 1,000 acres more of the Bannister
property, making in all 3,400 acres. The
company has selected a mill site near
North Jay and will erect a portable mill
and begin lumbering operations.

The total registration of pupils in
the public schools of Rockingham this
year reaches just about the same figure
as a year ago, 1,196. The number in
the village of Bellows Falls is slightly
less than a year ago although not as great
a decrease as was expected. In the rural
districts the number has somewhat in-
creased.

The Brattleboro Manufacturing Co.
will contest the petition of creditors,
filed in Burlington recently, asking that
the company be adjudged bankrupt. The
company will file with the clerk of the
court an answer setting up that the com-
pany is solvent, and the matter probably
will come up for hearing at the February
term of court in Burlington.

T. R. Stinehour of Lowell narrowly
escaped serious injury one day last week.
He was at work with an iron bar near
a wheel in his mill when the bar became
entangled in the wheel, causing Mr.
Stinehour to turn a somersault and
bruising one arm and hand and his
chest, and cutting a small gash in his
head. The iron bar was nearly bent
double.

H. L. Delano, of Morrisville, says that
seventeen years ago Monday, October 2,
the ground froze so hard that the weight
of a horse made no impression on it
and snow fell to a depth of three inches
at his place. Mr. Delano says that a
beautiful autumn followed this freeze and
that apples and other fruits and vegeta-
bles gradually thawed so that they were
not seriously damaged.

A resident of Copperfield was in White
River Junction Tuesday and reported
that the copper mine there, on which a
large sum was expended for improve-
ments a year or so ago when the West-
inghouse company of Chicago leased the
property, is practically abandoned and
the machinery is being dismantled and
sold at nominal rates. Mr. Westing-
house is in Europe and the plant is now
in such a condition that no new com-
pany would be likely to undertake to
run the mine, as the cost of renewing
operations would be too heavy.

January Ploof and the small daughter
of Charles Pashby narrowly escaped a
serious accident last Sunday afternoon,
while driving near Battery Park, in Bur-
lington. Mr. Ploof had stopped his horse
at the watering trough at the foot of
Pearl street, when the animal suddenly
started, throwing Mr. Ploof to the ground.
He hung fast to the reins and was
dragged a long distance before he
quieted the animal. He escaped with a
sprained wrist and badly bruised arm
and hands. The little girl, who remained
in the wagon, received cuts on her legs
and face.

Alonso Wells, aged 88 years, died at
his home in Huntington, Mass., Monday
of his illness to old age. Mr. Wells
was born in Fairfax, Vermont. He was
of the old school of staunch Republicans
and, while never in office himself, always de-
posited his ballot on election day. Mr.
Wells was twice married, his first wife
being Miss Jones, of North Hadley, Mass.
Two children were the result of this mar-
riage. For his second wife he married
Mrs. A. J. Bennett while living at Dal-
ton, Mass. Three children were born.
Charles A. who lives at home, William
H., who died in 1870, and Mrs. Jeanette
A. Pease, wife of the Rev. Charles S.
Pease, of Northboro, Mass.

Bennington's new Y. M. C. A. build-
ing will be located at the corner of Main
and School streets. The directors at
their special meeting Tuesday evening
having decided to adopt the recommen-
dations of the building committee that
the site be purchased. The property which
is at present occupied by a dwelling
house, a double tenement and a marble
and granite manufacturing shop, is owned
by Mrs. A. C. Cone of Pittsfield, Mass.

A FACT PROVEN.

Should Convince Even the Most Skep-
tical of Its Truth.

If there is the slightest doubt in the
minds of our people as to the fact that
their belief is compelled by the fact that
a rabbit inoculated with the germs
became bald in six weeks' time.

It must be apparent to any person
therefore that the only prevention of
baldness is the destruction of the germ-
which act is successfully accomplished
in one hundred per cent. of cases by
the application of Newbro's Herpicide.

Dandruff is caused by the same germ
which causes baldness and can be pre-
vented with the same remedy—Newbro's
Herpicide.

Accept no substitute. "Destroy the
cause you remove the effect."

Sold by leading druggists. Send 10c. in
stamps for sample to The Herpicide Co.,

and she will be paid \$10,000 for the deed.
There is a franchise of 70 feet on Main
street, 295 on School and 30 on Pleasant.
The house on the corner of Main and
School streets will be moved this fall
and work on the building will be be-
gun early in the spring. Three-fifths of
the \$25,000 fund will be put into the
structure, a portion of the land will be
sold and the proceeds used in purchas-
ing equipment.

Full of Tragic Meaning

are these lines from J. H. Simmons of
Casey, Ia. Think what might have re-
sulted from his terrible cough if he
had not taken the medicine about which
he writes: "I had a fearful cough that
disturbed my nights' rest. I tried every-
thing, but nothing would relieve it until
I took Dr. King's New Discovery for
Consumption, Coughs and Colds, which
completely cured me." Instantly re-
lieves and permanently cures all throat
and lung diseases. Prevents grip and
pneumonia. At the Red Cross Phar-
macy and Parlor Drug Store. Guarant-
teed. Price 50c and \$1.00. Trial bottle

How to Make Hens Lay in Winter.

Authorities all agree that eggs are
going to be very high this winter. Every
poultry keeper, therefore, will doubtless
be interested in the following letter
from S. B. Buell & Co., South Strafford,
Vt., in which they tell how to make
hens lay in winter. Here it is: "We
have sold 'Page's Perfected Poultry
Food' with a great deal of satisfaction,
as all who have used it call for more,
saying that it is just the thing want-
ing to keep hens producing eggs when
they are bringing the highest prices."
